

Safeguarding Environment for Future

WE'RE HIRING

JOIN OUR TEAM

Research Associate

CEGIS invites applications for the position of Research Associate within multiple divisions, including Water Resources Management; River, Delta & Coastal Morphology; Database, ICT & System Management; Climate Change & Disaster Management; Geographic Information Systems; Remote Sensing; Ecology, Forestry & Biodiversity; Socio-Economic & Institutional Studies; Agriculture & Fisheries; and Power, Energy & Mineral Resources.

- CEGIS is committed to fostering diversity and upholding gender equality.
- Internal candidates are encouraged to apply and will be given preference.
- Applicants must be not older than 32 years as of the application deadline.

The deadline for submission is 20 September 2025. Interested individuals should apply via <https://career.cegisbd.com> by creating an account, signing in, and following the provided instructions to upload required documents and complete the application process. Both internal and external applicants who have previously applied do not need to resubmit their applications, as their earlier submissions remain valid.

For detailed information regarding eligibility, qualifications, and other requirements, please visit career.cegisbd.com.
